

Classification and age structure for all Boccia L2 Qualifiers and L3 County Final

U14 Years – For competitors in Year groups 5-9 (rising 10 to rising 14) inclusive

U19 Years – For competitors in Years 10-14 (rising 15-rising 19) inclusive

PMLD – Profound and multiple learning disabilities. For competitors who have profound intellectual impairment and more than one disability. Will probably require support with intervention during play.

LF EBD/Aut/Asp – Low Functioning Emotional Behavioural Difficulties, Autism and Aspergers. For competitors with severe challenging behaviours that require support and intervention during play.

HF EBD/Aut/Asp – High Functioning Emotional Behavioural Difficulties, Autism and Aspergers. For competitors able to compete independently during play but might require support as observation from the side-line.

PD – Players with a physical disability. Throwing arm must have an impairment. If a player cannot throw over the throwing line they can use a ramp with an assistant.

Les Autres – Players with a minimum mild learning disability, or a physical disability but with unimpaired throwing arm. If any school cannot field a team of 3 then providing at least one player is a SEND young person they are allowed to include a low ability, not accessing school sport, player in that peer group.
