## Kent Schools Trampoline Championships 2017

The KTTC is pleased to provide details for next year's competition.

**PLEASE NOTE THAT THE KENT TRAMPOLINE TECHNICAL COMMITTEE HAS MADE A NUMBER OF CHANGES TO THE KENT SCHOOLS TRAMPOLINE CHAMPIONSHIPS FOR 2017.**

**PLEASE ENSURE THAT YOU ARE AWARE OF THE INFORMATION INCLUDED IN THIS PACK.**

### NOTE

The KTTC is a **voluntary** subcommittee of Kent Gymnastics. It consists of coaches and officials from Trampoline Clubs from across the county. Its purpose is to organise, manage and run trampoline competitions for Trampoline Clubs across the county. The KTTC is keen to see the sport of Trampoline develop and to provide opportunities for those not already involved in trampoline clubs.

### COMPETITION FORMAT

Pupils will compete two routines in one of four categories, the categories being Novice, Intermediate, Advanced and Elite. The first routine competed is a 'set' routine (which can be found further on in this document). The second routine competed will be a 10 skill voluntary routine (the Novice Category will repeat their 'set' routine as their voluntary routine).

Schools may enter as many pupils as they wish in each category.

Scores will be shown for each routine competed and added together to form a total score per individual.

If a school has 3 pupils in the same category, then those pupils will automatically be classed as a team. If a school has multiples of 3 in the same category, then the schools may put the pupils into teams of 3 (each team to be marked on the entry form, as Team A, B, C etc).

Please note that all team members must be wearing the same attire when they compete and at the presentation ceremony.

Certificates will be issued for each pupil entered. Trophies will be awarded for the top 3 individuals and medals to each member of the top 2 teams in each category and age group at the final only.

### DATE(S) AND VENUE

The Kent Trampoline Technical Committee (KTTC) has provisional dates and venues for the qualifying events, as follows:

East Kent - Thursday 9<sup>th</sup> February 2017 - Ursuline College, Westgate on Sea, CT8 8LX

FINAL - Sunday 26<sup>th</sup> March 2017 - Jumpers Rebound Centre, Gillingham

**NB: THE KTCC RESERVES THE RIGHT TO CHANGE THE DETAILS ABOVE, BUT WILL PROVIDE AS MUCH DETAIL AS SOON AS POSSIBLE SHOULD IT NEED TO DO SO.**

## **ENTRY FEE**

There is an entry fee per pupil of £5.00. There is no additional fee for teams or for those that qualify for the final.

## **OFFICIALS**

The KTTC has struggled with providing the full quota of officials required at both qualifying events and the final of the Kent Schools Trampoline Championships for the past couple of years, despite a number of qualified officials from Trampoline Clubs kindly volunteering their time.

As a result of this, the 2017 Schools competition will see the requirement to supply officials placed on schools. Schools will be required to name their officials at the time of doing their entry.

The KTTC appreciate that it is unrealistic to find people to commit and pay to attend a full judging qualification. However, the KTTC will be running a number of judging workshops in the lead up to the competitions that will be free to attend. Details of the judging workshops will be published over the next week or so.

The KTTC is urging schools to be prepared to supply officials.

## **ENTRY SYSTEM, CLOSING DATE AND PAYMENT**

The KTTC has agreed with a developer that the entry for the Kent Schools Trampoline Championships 2017 will be via an online entry. The closing date for the event will be Wednesday 18<sup>th</sup> January 2017. There will be **NO** leniency regard the closing date as it is only two weeks prior to the first event. The online system will produce an invoice for schools to print and give to their finance department, payment then to be made via BACS. The payment needs to be received prior to the close of business on 31<sup>st</sup> January 2017. Should payment not be received, schools will be disqualified from the event.

Details of the entry system will be sent out towards the end of the year.

There are a complete set of rules for the 2017 competition, thus, if you are distributing this document, please ensure that you distribute it with the document '*Kent Schools Trampoline Championships 2017 – Rules.pdf*'.

Please ensure that you are familiar with the rules, prior to entering the competition.

## A VERY QUICK GUIDE TO TARIFFING (DEGREE OF DIFFICULTY (DD))

- ▲ Each  $\frac{1}{4}$  of rotation ( $90^\circ$  around the somersault axis) is awarded 0.1 tariff
- ▲ A seat landing is not considered to have any rotation with regard to tariff
- ▲ Each complete somersault ( $360^\circ$  around the somersault axis) is awarded an additional 0.1 (thus being 0.5 instead of 0.4)
- ▲ Each complete somersault ( $360^\circ$  around the somersault axis) performed with straight legs (either piked or straight) is awarded an additional 0.1 (thus being 0.6 instead of 0.5)
- ▲ Complete single somersaults with twist are considered to be done in the 'free' position and thus do not get the additional 0.1 awarded if performed with straight legs

The routines above have tariff beside each skill. This is for guidance only. If there are any skills that your pupils wish to compete that you are unaware of the tariff, there are a number of websites that you can visit or feel free to email the organisers.
